Each year thousands of workers are killed and millions more injured or diseased because of their jobs. Please join us on Worker Memorial Day to honor those who have died in 2023 from a work-related injury or illness in King County. This special ceremony will raise awareness about how we can strengthen our commitment to make jobs safer and save lives in Washington State.

This event is a joint program provided by the University of Washington (UW) Department of Environmental and Occupational Health Sciences (DEOHS) Northwest Center for Occupational Health & Safety, Harry Bridges Center for Labor Studies, University of Washington Environmental Health and Safety (UW EHS), Service Employees International Union (SEIU) Local 925, Washington Federation of State Employees (WFSE), Local 1495/American Federation of State, County & Municipal Employees (AFSCME) Council 28, Automobile, Aerospace and Agricultural Implement Workers of America (UAW) Local 4121, and UW DEOHS Occupational Safety and Health Continuing Education Programs.
